

Hello Everyone,

On behalf of the San Francisco Host Committee for the O'Neills Continental Youth Championships in 2023, I am happy to assist you this year as you make your travel plans

Below is some general information on the tournament and attached is the hotel questionnaire.

Please complete the attached Google Doc questionnaire by February 10, 2023. This information will help us ensure we have adequate numbers of hotel inventory and transportation to/from the fields.

San Francisco CYC Dates: July 27-30, 2023

Location: Dublin, California

Note: Closest airport is Oakland, Ca (OAK), followed by San Jose, CA (SJC) & San Francisco, CA (SFO)

We will forward the name of your club's assigned hotel along with the booking code so your club can immediately start reserving hotel rooms.

Just a friendly reminder that clubs are required to stay at their assigned hotel. Once assigned a hotel, you **WILL NOT** be able to move to another location or reserve hotel rooms in another CYC hotel. If a member of your club reserves a hotel room at a different CYC location, they will be asked to move to the hotel assigned your club.

Each club will be given a specific code to book rooms. This will not only help us to confirm that all reservations are being processed in a timely manner, but whether we are in need of more/less rooms. It should also help clubs to determine which families have/have not yet booked when requested from the hotel.

All hotel reservations must be made through the booking link provided to your club. Please fill out the attached form by **February 10, 2023** so that we will be able to send you your booking link. All hotel rooms will be booked on a first come, first served basis. If there are no double/double rooms available when you contact your assigned hotel, you will have to book into a king/sofa-bed room. https://docs.google.com/forms/d/e/1FAIpQLSdPGeOSy1RW310p9Yvalzo92CvT5YYklm_3v-Fn-pgOcCdbUQ/viewform?usp=sharing

The deadline to reserve hotel rooms is **June 15, 2023**.

We reserve the right to hold clubs responsible for their estimated number of rooms. We have also negotiated the discounted rate for additional days should families plan to stay additional days prior to or after the designated days of the tournament. This information will be required as soon as possible to secure rooms.

Busing will be provided from the hotels to the fields.
